

# The Art Of War

Sabatón

I stand alone  
And gaze upon the battlefield  
Wasteland  
Is all that's left after the fight  
And I'm searching a new way to defeat my enemy  
Bloodshed  
I've seen enough of death and pain

I will run - they will hunt me  
Then I will hide - they will search  
I regroup - they retreat  
They'll soon ?

I will win but never fight  
That's the Art of War!

Breaking the will to fight among the enemy  
Force them to hunt me  
They will play my game  
And play by my rules  
I will be close but still untouchable  
No more ? suffering and pain  
They will find me no more  
I'll be gone ? surrounded  
They will heel without fight  
Overrun ?

I will win but never fight  
That's the Art of War

Broken and lost  
Tired of war  
They'll surrender to me  
Caught in my trap  
There's no way out  
Failure never again
