

# Unbreakable

Sabatón

It's under crimson skies  
Hell's arising  
Our trap will spring  
? our (oppressors) will be marching  
straight to their doom

We are prepared for war  
Ready for fire  
Standby to charge  
Counting down  
As they march to destruction  
Their time has come

They'll never know  
We gave no warning  
We set a trap  
They took the bait  
Leading them straight into hell  
They will not live to tell the tale  
We'll strike at dusk and fight 'till dawn

Tonight our foe is bound to fail  
Our time is now

All ready at arms

Upon our chosen ground  
Dead men marching  
No sign of hope  
Victory will be hours before the dawn breaks  
Tonight we charge

They'll never know  
We gave no warning  
We set a trap  
They took the bait  
Leading them straight into hell

They will not live to tell the tale  
We'll strike at dusk and fight 'till dawn  
Tonight our foe is bound to fail  
Our time is now

All ready at arms

Chaos and disorder  
Sound of the attack  
Charging down the mountain  
Frontal assault  
Guns light up the darkness  
Mortars rip the ground  
Like a force of nature shaking the field

They never knew  
We gave no warning  
We set a trap  
They took the bait

Cut off, retreat

Release, unleash  
The beast withing  
Berzerker rage is released  
Release, unleash  
A storm, a force  
Unbreakable warmachine

Victims of the ambush  
Stain the ground with blood  
Fields of execution  
Murderous plan  
Soldiers turn to madmen  
In the dead of night  
Fighting with a fury  
Fire in your eyes

They never knew  
We gave no warning  
We set a trap  
They took the bait  
Cut off, retreat

Release, unleash  
The beast withing  
Berzerker rage is released  
Release, unleash  
A storm, a force  
Unbreakable warmachine

Unleash, the beast withing  
Berzerker rage is released  
Hope I've helped a bit :)
