

Burn the Church

Sabbat

I'm a satanist, I'm an antichrist, a war has just begun, my mission is the inferno

Unholy night, burn the church, burnin' away, the evil is the maximal ability for us mortals

Unholy night, burn the church, burnin' down, watch ! Fire of sacrifice.....

The god couldn't defend your holies, burnin' outz !!!

I'm a satanist, I'm an antichrist, the instinct of evil has just got blood of beast
