

## King of Hell

Sabbat

Creation of destruction, he can open the gate of hell  
Necromancer in pentagram, he's a master of manitou

He has no mortality, he has no sins, he has no times  
Burning soul of crisscross, in the name of Satan  
king of hell

Peace to war, war to force, he can enjoy all might  
Light to illusion, illusion to the dark  
He's a master of nightmares
