

# Metamorphosis

Sabbat

Where something coming from?  
Coming through invisible the dark  
Calling evil in me, when devil and angel  
Suffers wicked torture together,  
I'm going to change

From dark of black night,  
Blood of necrobeast at witching hour  
Is this a retaliation of the God?  
Or death a conduct of Satan  
Angel's smile crumbles down,  
Which shall I see, heaven or hell?

Night of metamorphosis,  
Coming into my void  
In the dark of the immortal  
Bringing me a terrible time,  
Hell going to change, my soul

Metamorphosed my body, my mind,  
Makin' the shadow of insane scene  
Is this a retaliation of the God?  
Or death a conduct of Satan  
Devil's smile also crumbles down,  
Which shall I see, heaven or hell?
