

## Northern Satanism

### Sabbat

Rise in rebellion, desecration, we live as beasts,  
The armed resistance, the enemy is over there,  
The burning churches, damnation is war cry, it's delight  
Waaarrrrggghhh! Dieeerrrggghhh! Beheadaaaarrrggghhh!  
Demonic swords, maces of hell, no promise to surrender  
Salvation army for recapture, victory!  
Northern satanism  
Christian is pagan, our might mountains,  
The spirit is on our side, gracious sea  
I'm a son of Satan, I'm a son of Lilith  
Pound the legion of Christ, onslaught!
