

## Reek of Cremation

Sabbat

Burning ! Fire rising, the baptism of Fire  
Blasphemy ! Unholy funeral, Evil fire worship  
Oh hear the call from the grave beyond  
Empty altar awaits it's victim  
Reek of cremation !  
Nightmare ! Torment in fire, merciless death  
Mutilation ! Ripping apart, severing flesh  
I devour the charred body  
Oblivious to life for you're beyond death  
Reek of cremation !
