

## Darling I'm A Mess

Sabrina Carpenter

This might be wrong, but here's all I know, here's all I know  
Most times I pretend that he's just a friend, he's just a friend

Yeah I'll try to make our hearts beat in time  
Even though your rhythm might not be with mine

But darling I'm a mess without your love  
Heaven knows I'm trying, trying to get by  
But darling I'm a mess without your love  
All I need is one more goodbye kiss

Your lips are missed, cuz they're all I know, I can't let you go

And I won't forget, all that you say is engraved in my head  
Yeah I'll try to make our hearts beat in time  
Even though your rhythm might not be with mine

But darling I'm a mess without your love  
Heaven knows I'm trying, trying to get by  
But darling I'm a mess without your love  
All I need is one more goodbye kiss

No oh, a goodbye kiss  
Yeah I'll try to make our hearts beat in time  
Even though your rhythm might not be with mine

But darling I'm a mess without your love  
Heaven knows I'm trying, trying to get by  
But darling I'm a mess without your love  
All I need is one more goodbye kiss
