

# Eyes Wide Open

Sabrina Carpenter

La di da da da na  
Yeah

Everybody loves to tell me I was born an old soul  
Better keep my eyes wide open  
There's so much that I don't know  
Just another hotel room  
Never felt so all alone  
I think about my granddad's eyes,  
And they always send me home  
I can almost hear him now  
Gotta make him proud

I keep my eyes, wide, open  
Bless this ground, unbroken  
I'm about to make my way  
Heaven help me keep my faith  
And my eyes, wide, open

I can't see two steps ahead of me,  
When the fog comes rollin' in  
I never thought I'd miss the rain  
God knows how long it's been  
This dream burns inside of me,  
And I can't just let it go  
There's still so much that I don't know

I keep my eyes, wide, open  
Bless this ground, unbroken  
I'm about to make my way  
Heaven help me keep my faith  
And my eyes, wide, open

All I have is just this moment  
And I don't want to miss a second  
'Cause it could all be gone in an instant  
Yeah, in an instant...

I keep my eyes, wide, open  
Bless this ground, unbroken  
I'm about to make my way  
Heaven help me keep my faith  
And my eyes, wide, open

I'm about to make my way  
Heaven help me keep my faith  
My eyes, wide, open

Keep my eyes...wide...open
