

# Feels Like Loneliness

Sabrina Carpenter

You're not asking for much  
But it just seems like a lot and  
Kinda confused don't know what to do  
But baby it's hard for me  
I'm not ready for love

I keepin' my guard up  
I don't mean to tease ya  
You're down on your knees  
You're begging me please  
But darling its not the way  
To get me babe mmh

Woo ooh scared, didn't mean to make you love me (x2)  
I'm a little bit stranger  
Such a beautiful darling  
Didn't wanna make you bail  
We can be a thing  
And I give you everything

Love feels like loneliness  
Love feels like loneliness sometimes  
And that's just the way it is  
Cause love feels like loneliness sometimes

We can't get the timing  
Because i was running  
But now i want you  
And you always knew so  
Baby you go away  
And make me wait for you

So screw all that love-ish  
I think that i've got it  
But won't you turn your back  
And now that your back  
Ok this is the last time  
I'd played this cool  
Always the same and im through

Woo ooh scared, didn't mean to make you love me (x2)  
I'm a little bit stronger  
Such a beautiful darling  
Didn't wanna make you bail  
We can be a thing  
And i give you everything love

Love feels like loneliness  
Love feels like loneliness sometimes  
And thats just the way it is  
Cause love feels like loneliness sometimes  
Sometimes (x6)  
Love feels like lonliness sometimes  
Sometimes  
Cause love feels like loneliness sometimes, sometimes (high Note)  
Thats just the way it is  
Cause love feels like loneliness

Sometimes

No no no no no no no no

Sometimes (x5)

Love feels like loneliness sometime
