

Because Of You

Sabrina

Want to but I can't help it
I love the way it feels
It's got me stuck between my fantasy and what is real
I need it when I want it I want it when I don't
Tell myself I'll stop everyday knowin' that I won't

I got a problem and I don't know what to do about it
Even if I did I don't know if I would quit but I doubt it
I'm taken by the thought of it and I know this much is true
Baby you have become my addiction I'm so strung out on you
I can barely move but I like it
And it's all because of you [3X]
And it's all because...
Never get enough
She's the sweetest drug

Think of it every second
I can't get nothing done
Only concern is the next time I'm gonna get me some
Know I should stay away from cause it's no good for me
I try and try but my obsession wont let me leave

I got a problem and I don't know what to do about it
Even if I did I don't know if I would quit but I doubt it
I'm taken by the thought of it and I know this much is true
Baby you have become my addiction I'm so strung out on you
I can barely move but I like it
And it's all because of you (all because of you) [3X]
And it's all because...
Never get enough
She's the sweetest drug

Ain't no doubt so strung out [2X]
Over you over you over you

Because of you
And it's all because of you
Never get enough
She's the sweetest drug she's the sweetest drug
