

## Heart

Sabrina

Heart, I know I've been hard on you  
I'm sorry for the things I've put you through  
Before you start to break on me  
Or ask for sympathy, I need to make you see

Heart, I'm not sure it's been long enough  
To say that what I feel is really love  
There is just one way to learn, sometimes we'll get hurt  
And right now it's our turn

Give it time, help me through  
Heart we can do this together  
You're my strength, you're my soul  
I need you now more than ever

Heart, all the hurt will soon be gone  
If you'll, if you'll just keep on being strong  
You will always be my friend  
So keep on hangin' in  
And we'll find love again

Give it time, help me through  
Heart we can do this together  
You're my strength, you're my soul  
I need you now more than ever

Oh Heart, I know I've been hard on you  
I'm sorry for the things I put you through  
Please don't you break on me,  
I need to make you see, it wasn't meant to be  
And you will always be my friend  
So keep on hangin' in  
And we'll find love again
