

Like A Yo Yo

Sabrina

Like a yo yo
You're spinning me up and down
Like a yo yo
You're pulling me round and round

All around the world
For every boy and girl
They say they're sorry lying
It's never gonna change
Like a yo yo

No matter how I try
I just can't get away
Time after time
You can always make me stay
You treat me like a toy
That you're gonna throw away
Again and again
You make me want to play

Like a yo yo
You're spinning me up and down
Like a yo yo
You're pulling me round and round

All around the world
For every boy and girl
They say they're sorry lying
It's never gonna change
Like a yo yo

Wrap me around your heart
Tug on the string
Wrap me around your heart
Tug on the string
Wrap me around your heart
Tug on the string
Tug on the string
Tug on the string

Like a yo yo
You're spinning me up and down
Like a yo yo
You're pulling me round and round

All around the world
For every boy and girl
They say they're sorry lying
It's never gonna change

Like a yo yo
You're spinning me up and down
Like a yo yo
You're pulling me round and round

Like a yo yo
You're spinning me up and down

Like a yo yo
You're pulling me round and round

Like a yo yo... Yo yo...
