

Blue Suit, Brown Shirt

Sacred Reich

Ignorance not new to you
You mission to exclude
Hate it blinds you cannot see
Pass you judgment down on me

Race dictates you every move
Pride is what you claim to prove
Seperation is what you mean
Hate is what you preach

Racist
Peice of shit
Bullet
Is the only way you'll learn

A bullet in you fucking head

Trade you brown shirt for blue suit
Only the clothes are new
Saw you try with David Duke
But we can see right through you

Racist
Peice of shit
Bullet
The only way you'll learn
