

# I Never Said Goodbye

Sacred Reich

I've taken you for granted  
I've known you since I was born  
And all of a sudden  
You've been taken, now you're gone  
There's so much  
For me to say  
I'm afraid It's much too late  
You've been taken away

I wanted you  
To see me succeed  
To make you proud  
And have you close to me  
But now that your're gone  
It brings tears to my eyes  
I miss you so much  
I never said goodbye  
I never said goodbye

Your memory lives on  
you're close to my heart  
I think of you  
And we're not apart  
There's so much  
For me to say  
I'm afraid it's much too late  
You've been taken away

I wanted you  
To see me succeed  
To make you proud  
And have you close to me  
But now that you're gone  
It brings tears to my eyes  
I miss you so much  
I never said goodbye  
I never said goodbye

Your memory lives on  
you're close to my heart  
I think of you  
And we're not apart  
There's so much  
For me to say  
I'm afraid it's much too late  
You've been taken away

I wanted you  
To see me succeed  
To make you proud  
And have you close to me  
But now that your're gone  
It brings tears to my eyes  
I miss you so much  
I never said goodbye  
I never said goodbye
