

# Pressure

Sacred Reich

Full of potential  
Yet nothing there  
Filled with infinite ideas  
Why so hard  
Don't know what's the problem  
Seems like pulling teeth  
Never had this happen  
I must overcome

Pressure  
Pressure  
Pressure  
In my head  
Pressure  
Pressure  
Pressure  
In my head

Tap into the bank of knowledge  
Reaching for the source  
Look around in my mind  
For some meaning  
Don't know what I might find  
Hope I find it soon  
Taking just too much time  
Sitting in this room

Pressure  
Pressure  
Pressure  
In my head  
Pressure  
Pressure  
Pressure  
In my head

Don't like what I'm seeing  
Lack of drive and thought  
Don't know how to fix it  
Time to start  
Days of deep reflection  
Nights of sweat and work  
Have to beat this  
This is my reward

Look around in my mind  
Hope to find  
any ideas I like  
And can write  
Have to have some meaning  
Not just some words  
Put some music to it  
Get to work

Pressure  
Pressure  
Pressure

In my head  
Pressure  
Pressure  
Pressure  
In my head
