

Broken Rites

Sacred Steel

Father O'Donnell was a good man of a church
Catholic parish priest
A tale you should have heard
A holy pedophile
The glory of the lord he served so well
With rape of altar boys and girls

50 years of child abuse
They didn't want to know
No guilt and no excuse
On with the Jesus show
Convict 100 priests who acted just the same
Retired gracefully
The victims left in shame

Holy shit
Catholics
Fuck your politics
Right-wing Jesus hosts
Fuck the son
The holy ghost

Fuck the lord
Fuck the book
Can't you see your cross is crooked
Your lies
Your laws
Turn our children into whores

Pedophile christianity
Assaulted in the sacristy
Molested by the holy priest
Cover-up your pedophiles
Broken rites
Broken holy rites

On march 11th '97 Kevin died
His brothers of the church
They prayed for him and cried
This great affliction caused him suffering in life
It's good tradition not to talk about these crimes

Holy father
Holy lord
Holy bible
Holy fraud
Holy ghost
Holy sperm
I hope in hell you burn

Holy Mary
Holy priest
Holy anus
Holy beast
Holy your anointed prick
Smeared with virgin shit

Bastard usurper
Pastor Emeritus sings
Up with the angels to the glory of you
King
The great archdiocese ignored the case of him
Oh tell me what about the victims suffering

Tell your children not to talk to priests
Pedophiles
Tell your children not to walk with priests
Broken holy rites
