

## Denial of Judas (Heaven Betrayed)

Sacred Steel

My soul I won't sell

I am the black flame within you all  
God is the anvil on which my hammer falls  
War is raging  
Fueled by sins  
Hell's gates are open  
Welcome within

By my own desire I must burn  
By thy own desire you must burn with me

I am hanging on the Judas tree  
Burn with me  
Without my soul there'll be no victory for Christianity

Call me liar  
You say I am  
Forever scapegoat  
Forever damned  
I'll take you with me  
I won't let go  
Come on my children  
It's time to know

Denial of Judas  
Heaven betrayed

You fools are mortal  
You must die  
No pearly gates await  
No paradise  
Deny heaven and choose hell  
Now come my children  
Burn with the damned

Burn with me

Judas  
Archfoe of heaven  
Hell is thy fate  
Don't heed the warning

Kill god  
Heaven betrayed

Hell is the home of the brave
