

In the Mouth of Madness

Sacred Steel

Born is the new Bible
Wretched Sanctity
Gather the Disciples
Madness reigns supreme

Take heed, the new Religion
Spreading like Disease
The Hunter now the Victim
The Elder Ones break free

Gods of Fire, Gods from Space
Terminate the Human Race
Mankind fallen far from Grace
Meet your Maker face to face
And scream

In the Mouth of Madness
Your World it drowns in Blackness
Now gone is your Reality
Replaced by Insanity

Born the new Messiah
Prophet of their Hate
Return with mad Desire
On through the black Church Gate

Unleashed the final Terror
Evil killing spree
Face the ultimate Horror
Sadistic Deities

And scream
In the Mouth of Madness
Scream
In the Mouth of Madness
Scream
In the Mouth of Madness
Scream
