[Soliloquy of the abandoned Demon-God:]

[THE TYRANT KING:]

"I am the thorn in your side ! Your fault, your Flesh Divine...
All that you blame on me is what you made me to be !
In your eyes I've grown much too strong... Have I not been your
Chosen One ?
(Cursed) Dark Gods CROM and XU ! You deny me... I defy you !!!"

"You deny me... I defy you !

You deny me... I DEFY YOU !!!"

([THE WITCH:] "Fret ye not, beloved Son... your time is at hand
!")

[THE TYRANT KING:]

"I have fallen from Grace. You left me behind (and) spat in my
face !
(I've suffered your impertinent) Endless, malicious Attack. Bel
ieve me, I'm tired to always fight back...
...So many soldiers I've slain... I had to kill them again and
again !!!
I am embittered and sad... may 'STORMHAMMER' lay me forever to
rest !"

"This is the end... the end you've planned ?

This is my way... TO YOUR DECAY !!!"

([THE WITCH:] "Whatever they dare to confront thee with ! In th
e end you will reign supreme !")

[THE TYRANT KING:]

"Now (you) revel in Victory ! (Now that) You got rid of me ! ..
.

(You've) Crushed me with your Hate ! I am the Master of my Fate
!

(I was the) Beast of War ! Your King of gore !

My Soul you have betrayed ! (Nevertheless) I am the Master of t
hy Fate !!!"

"(With) My backs to the wall. I face the end, proud, standing t
all !

(I was) Never a sheep in your flock ! I am my Master, (my) King
and my God !

Forever fool and enslave all those who hail you, sing and give
praise...

(You) Can't stand my Courage and Course... I broke your Rules !
Yes !!! I broke your Laws !!!"

[THE WITCH:]

"(You are the) Master of thy Fate... Master...

Master of thy Fate... Master...

Master of thy Fate... Master...

Master of thy Fate... Master..."

([THE TYRANT KING:] "Come and take me to the Bowels of Cythraul
, Ceridwen, mother in Death...")
