

## Metal Is War

### Sacred Steel

"Marching 'neath the Banner of the Bloodstained Sword  
Warriors of the Oath unleash the Crimson Storm !  
Disciples of the Horned God fear the Final War !  
We (have) come to crush and desecrate, Metal is the Law !"  
"Metal is the Law  
METAL IS WAR !"

"My Blood be thine Force as my Flesh serve thine Will !  
I who grant thee this life urge thee, grant me the kill !  
This Oath it is sealed by Honour, Magic and Blood !  
I swear not to fail but myself become God !!!")

"We've come to seal your fate, we've come with killing Hate  
To crush and desecrate, METAL IS WAR!"  
"What a splendid sight it is to see those Legions march ! How hungry they are for the Bloodshed!"

"Follow him, the One, the Light where Darkness falls...  
And sing the Songs of Battle where the Slaughter calls !  
Hail the Sacred Conqueror, sworn to bring demise...  
And when the Fog of Battle clears a new Kingdom will rise !"  
[THE ARMY OF A'RYTH-RA:]

"Beneath the Dragonsky, our Banner's flying high !  
FACE US AND YOU'LL DIE !!!"  
"YOU SHALL DIE !!!"

[THE EMPEROR:]  
"I am in Command to soak the Killing Field with Blood  
(I am the) High-King of my Warriors, the Dragonslayer-Lord  
My Armour shining Steel, I wear the Sceptre, Sword and Ring  
I am the Saviour prophesized and I reign supreme !"
