Plague of Terror

Sacred Steel

Can you feel the cold chill in the air Damned souls - they have risen from their lair Can't you read the signs - they're clear to see Death immortal claims mortality

Come forth - break through from the depths of hell Mortals - beware - hear the demon bell

From the land of the dead we rise to fly Plague of terror To the land of the living - prey in sight Plague of terror Your judgement day it has arrived Plague of terror - rise

Darkening the sky - black legion's wings Loyal to the crown of their dark king Falling from the sky - hell's plague of doom Mankind dies - the earth it's silent tomb

"Ladies and gentlemen. This will be our last broadcast Evil incarnate has conquered our world It seems like there's no way to escape the wrath of the undead legions That have emerged from hell May god be with us! Harris Johns for CNN network"
