

Little Secrets

Sacred Warrior

As we spoke this morning, the fear written upon my face
I feel like a candle standing in the pouring rain
You told me you loved me daddy and that you'd show me how much
But there's these feelings I can't understand when you touch
Robbed of my innocence, I'm so lost and confused
Frightened by the thought of you, coming to take me again
Disturbed with my life I'm ready to quit
I wish you could see my pain and misery

Sworn to silence, our little secrets

What has possessed you to do this to me ?
Daddy, I'm hurting can't you see
You're a stranger to me, your love I never felt

Sworn to silence, our little secrets

I'm so ashamed of what I see every time I look in the mirror
I can't believe it ... oh no, believe what you've done to me
I'll never be the same, I'm so tired of all your heartless game
s
You've hurt me, you've hurt me, you've hurt me

Fifteen years later my heart still bleeds
I'm longing for the day in which I'll finally have peace
You're a stranger to me, you're love I never felt

Sworn to silence, our little secrets
