

## Remember Me

Sacred Warrior

Now while the others laugh and spit  
I think about just where I sit  
And where I'll be tomorrow

Living only to explore my every chance for pleasure  
But now I realize I need your grace  
I turned my head to see your face  
You don't deserve this cheap disgrace  
When you leave here let me follow

Please remember me  
Please remember me

You're a man who's done no wrong  
Yet everyone despises you  
Yes crucify the king of the jews  
For my crimes I'll do my time  
I dared to cross forbidden lines  
When you leave here let me follow

Please remember me  
Please remember me

I tell you the truth  
Today you'll be with me in paradise

Though I've been condemned to death  
My sins are still forgiven  
You give the promise of eternal life

I turned my head to see your face  
You don't deserve this cheap disgrace  
When you leave here let me follow

Please remember me  
Please remember me
