

# The Flood

Sacred Warrior

Now it came to pass  
Just before the flood

The Lord saw men's wickedness  
And said I'll spill their blood

Mercy follows mercy  
The decision's up to you  
Get right with the Christ child  
Heed the warning: It's coming soon  
Parallels of Hell  
Destruction from above  
Water into fire  
God's will be done

Mercy follows mercy  
The decision's up to you  
Get right with the Christ child  
Heed the warning: It's coming soon  
You see the food as it's coming  
To this place  
Nowhere to run and hide  
Preachers of righteousness  
Are warning you today  
To turn from sin

To escape the wrath that's coming  
Receive the truth and be saved

The earth is filled with violence  
And it will pay  
Like nuclear destruction  
Could happen any day  
Why then would you choose  
To refuse the offer in  
To the arks type which is Christ child  
For a fleeting dance with sin

Saints arise
