

By Your Side

Sade

You think I'd leave your side baby
you know me better than that

You think I'd leave you down when you're down on your knees
I wouldn't do that
I'll tell you you're right when you want ha ah ah ah ah ah
and if only you could see into me

Oh when you're cold
I'll be there
hold you tight to me

When you're on the outside baby and you can't get in
I will show you you're so much better than you know
when you're lost and you're alone and you cant get back again
I will find you darling and i will bring you home

And if you want to cry
I am here to dry your eyes
and in no time
you'll be fine

You think I'd leave your side baby
you know me better than that
you think Id leave you down when you're down on your knees
I wouldn't do that
I'll tell you you're right when you want
and if only you could see into me
ha ah ah ah ah ah

Oh when you're cold
I'll be there
hold you tight to me
when you're low
I'll be there
by your side baby

Oh when you're cold
I'll be there
hold you tight to me
oh when you're low
I'll be there
by your side
