

# Long Hard Road

Sade

There's a long hard road ahead  
But a voice inside me said

You know there's something that you need to know  
It's gonna be alright  
Said there's something that you need to know  
It's gonna be alright

And when in this life, in this life  
When I can only turn my chin  
I know it's gonna be alright

When this big old town is closing in  
And I have lost again here  
I could stay but I'll keep moving on  
Here I could stay but I'll keep moving on

Could be I won't be wrong  
There's a long hard road ahead

But a voice inside me said  
Said there's something that you need to know  
It's gonna be alright  
Said there's something that you need to know

It's gonna be alright
