There's a long hard road ahead But a voice inside me said

You know there's something that you need to know It's gonna be alright Said there's something that you need to know It's gonna be alright

And when in this life, in this life When I can only turn my chin I know it's gonna be alright

When this big old town is closing in And I have lost again here I could stay but I'll keep moving on Here I could stay but I'll keep moving on

Could be I won't be wrong
There's a long hard road ahead

But a voice inside me said Said there's something that you need to know It's gonna be alright Said there's something that you need to know

It's gonna be alright
