

## Daydream

Sadie

Daydream komorebi ni tsutsumareteta.  
Like a sun sunao ni ikireterukai?  
Michinaru basho de tomadoi saita karenda hanatachi yo  
Hidamari no naka machi kogarete ha ame ni nureteta  
Nemureru hibi ni fui ni kikoeta dare ka no kanashimi ga  
Kowai kurai ni jibun ni toketeku yukumata  
Sou itsumo utatteta namida no wake wasurerareteta  
Sou itsumo naiteita koko ga kitto hajimari no deai  
Tsukihi ga tateba yagate hokorobu azayakana hodo ni  
Ato sukoshi dake mou sukoshi dake de mo Fureteitai  
Don't let me cry under the sun  
Always komorebi ni tsutsumareteta  
Like a sun ashita wo machi kogaretetai kimi to  
Sou itsumo waratteta kimi no koe ga yasashiku yurete  
Sou itsumo tsutaeteta kimi no kokoro jibun ni kaeteita  
Sou itsumo utatteta namida no wake wasurerareteta  
Sou itsumo naiteita koko ga kitto hajimari no deai
