

Dearest

Sadie

I remember only time witch have confined loneliness and weakness in my heart.

Seijaku ga mune kogashite aburedasu toumeina namida
Kogare egaiteta asu wa katachi wo kaete hishimekiau bakari
Kono te ni aru mono ga jibun no zaisan to iu nara hanasanai
Kono sadame no naka de aru beki ima wo motometai
(I'd like to ask for the now which should exist.)

Dakishimeta anata no kowarekaketa kokoro
Douka soba ni isasete
Okubyou dakeredo sabishisa wo ubaisatte
Mamoritsuzuketeitai
I save your heart.

Heizen suburi kimi datte toki ni dareka wo kizutsuketeru
Taisetsuna koto wa itsumo dareka ni ikite dareka wo ikasu koto
sa
Kogoeta yubisaki wo tsutsumu atatakai ryoute ga aru to shite
Ayamachi wo okashite kodoku wo seotta to shitemo
(I'll sing by your side.)

Dakishimeta anata no kuroku nijimu kotoba
Subete wo uketomete
Tsumetai kuchibiru hakanaku kieru uso
Toki ga tomaru made wa
I save your tears.

I remember only time witch have confined loneliness and weakness in my heart.
Until it tells good-bye to the hope witch was disappearing...

Kegareta sonzai da to ka odore wo hitei teki ni natte
