Omae gisei ni obore waratteta

(You feel a limit in living and do die ?)
VITALITY ni tomunda tsumori demo
Ore no kokoro no naka ni wa nanimo tsutawaranai no sa
(You lose a place to go and are frightened ?)

Ikiru koto ni genkai wo kanjite
Sennou sareta you ni omae wa kuzureteku no sa
(You feel a limit in living and do die ?)
Oidzumerarete obieru dake ka ?
Ore kara mireba omae wa kirei na fuku kita BUTA
(You lose a place to go and are frightened ?)

Sagasanai de mitsukenai de fuan ga kodoku semetate
Muimi ni kizanda kizu ga nagusameta

Owaranai de modoranai de kusatta tajou naki sonzai sa
Tatoeba igande mienai kuroi sora

Kanashiki uta ni yurarete nemuru mou...
Baka na ai de saredo naite itsumo umaku waraenai
Ashita ni mieru nanika wo motome tada nantonaku...

You want to hear nothing anymore.
You want to run away from the real.
Sincerity frets about nobody.
Cry out ! Cry out a weak heart.

Fukai nemuri ni ochireba koufuku deshita
Tada genjitsu mirenai
Motomeru kimi no seikai nante koko ni wa nai
Akirame wo akiramero
