

Payment of Vomiter

Sadie

The reality drives me mad.
No one can trust it.
Tell me all the reasons.
Something might be broken.
The past threatens me.
I want to erase the memory.
Give me pain and sadness.
Cause I can become well.

I can't save me... I can't breath you.

Who are you? Destroy them. I'm cruel.
Break into the mad

The reality drives me mad.
No one can trust it.
Tell me all the reasons.
Something might be broken.
The past threatens me.
I want to erase the memory.
Give me pain and sadness.
Cause I can become well.

Who are you? Destroy them. I'm cruel.
Break into the mad.

Vomit... the reason fades away.
Samidare ni mau metsubou no hana kokoro wa kimi wo nageku
Oshiminagara kurushimi nagara
kodoku ni shi wo

I pray for you.

Oshiminagara...
