

Rain Fall

Sadie

Lost in the rain hageshiku yamanai ai wa
Hanarenai de todokanai te to te
Mou ichido anata no soba de nemuritai
Kanawanai mama touzaru ibasho
Rain Fall

Itsumademo tsuzuku hazu no asu wa doko de kuzureta no ka
Atarashii mirai nante doko ni aru no?
Kotae wa mitsukaranai

Lost in the rain hakanaku owari wo mukae
Toki ga shuugireba wasurerareru to
Tsuyogaru kotoba wa uso to shittete
Nando mo namae ga kuchimoto dou ga shita

You say goodbye
I'm waiting for you
Kimi dake no ima wo ikitanda
Mou nidoto modorenainda nante

Dokomademo nijimu kioku ga itai senmei na manazashi
The days come back to me
I believe your heart
Naki nagara hitaru dake no precious blue flame

Lost in the rain hageshiku yamanai ai wa
Hanarenai de todokanai te to te
Mou ichido anata no soba de nemuritai
Kanawanai mama touzaru ibasho

You say goodbye
I'm waiting for you
Kimi janakya imi ga nainda
Mou nidoto aenainda nante
