

Stormy heaven

Sadie

Keep on calling making the storm
Sasou koe kuruwase te kure
Keep on calling making the storm
Arashi no naka dakishimeru kara
Can't stop crying heart

Nowhere ikiba no nai kaiketsu no deki nai koto wa nani ?
Stand up ima tachiagare kawaru no nara ba ima sa

Get me down under the rain fall
Get me back over the rainbow
Stupid... Stupid...
Come on ready go

Somewhere nouri wo hau akuma ni juukou tsukitsukere ba
Wake up mezame ta toki tengoku de waraitobase

Get me down under the rain fall
Get me back over the rainbow
Stupid... Stupid...
Aru beki ima wo utae

Keep on calling making the storm
Sasou koe kuruwase te kure
Keep on calling making the storm
Arashi no naka dakishimeru kara
Can't stop crying heart

Stay here jama sa se nai mugen ni hirogaru basho stormy heaven
Lonely kimi no ja nai arashi ha subete wo makikommu no sa

Keep on calling making the storm
Minikui koe baramai te kure
Keep on calling making the storm
Hikari no naka tsutsumi komu kara

Te wo nobase ba hirogaru keshiki ga aru
Hata ni iru kara mata aeru hi wo negau
Me wo tojire ba kagayaku omoide ga aru
Wasurekake te ta jiyuu to ibasho wa koko
