

# Freedom

Sadus

So you think  
That we're all crazy  
Can't you see  
That I'm already there  
What you need  
Can't do without it  
Can't you see  
That I don't even care  
I'm on the edge

Pound it out  
Twice as loud  
I crave the sound - (in darkness no weakness)  
Flying free  
At full speed  
It's what I need - (ears will bleed, what we need)  
Work and feed  
Off of me  
Adrenaline - (arise above, arise above)  
Our fuel for life  
It's what we like  
It's in our blood - (in the blood, in the blood)

Freedom for you  
Freedom from pain  
Freedom for all  
Freedom from this life

Where are you  
Here I am  
Hidden deep  
Out of sight and mind  
Time flies by  
And I'm alive  
Alive inside  
Inside of all of you  
Inside of you

I've paved the way  
For all to see  
It's all for you - (all for you, bleed for you)  
And now I'm lost  
And time won't stop  
Now that I'm through - (so through, so through)  
What you need  
Ears will bleed  
I'll bleed for you - (bleed for you, all for you)  
Don't leave me  
I can't see you - (where are you, where are you)

Freedom for you  
Freedom from pain  
Freedom for all  
Freedom from this life

So the twisted one is me  
Sad, so bad, sad,

Don't make me laugh  
Free from all that is me  
Sad, too bad, sad  
Freedom

Highs and lows  
Effect us all  
And crush one's soul  
Time and time again  
Feel the need  
Arise above the pain you feel  
Inside us all  
And take control

I've paved the way  
For all to see  
It's all for you - (all for you, all for you)  
And now I'm lost  
And time won't stop  
Now that I'm through - (so through, so through)  
No day of rest  
No time to guess  
Arise above - (arise above, arise above)  
Flying free at full speed  
It's what I love - (it's what I need, that's why I  
bleed)

Freedom for you  
Freedom from pain  
Freedom from all  
Freedom
