Trust interprets power - Lies may deceive

Behind facial masks - Dominance is achieved

Ruled by one - Unity now strong

Power to behold - Force all control

Wise men will dream - Of the one built to be

Faith in all who believe - Trust now achieved

Face to Face - Raised for today

Just abiding force - Provoked to destroy - DESTROY

Power of one - Power of one - Change has begun - Power of one

Trust interprets strength - All blind to their needs

Open eyes can't see all the lies

Face to face - Raised for today

Just abiding force - Provoked to destroy

Power of one - Power of one - Change has begun - Power of one
