

Crash

SafetySuit

Now, I need you to catch your breath for me
Cause you're loosing it
And there's no time left to waste
I promise you I will not leave
But right now I need you to stay with me
Now look at me, look at me
No one's going to die
It's not your time
Not Now

Don't stop, don't stop
You can get outta of this
Don't be afraid, no, no
Don't stop, don't stop
You can get over this
I'll be your friend, yeah, yeah

So I need you to make me a promise that
You will tell my dad I'm sorry that I
Made him breathe three words
I won't say that, I won't say that
You can tell him yourself when you see him too
Cause he's coming you just have to
Hold on, don't let go, don't let go
Don't go

Don't stop, don't stop
You can get outta of this
Don't be afraid, no, no
Don't stop, don't stop
You can get over this
I'll be your friend, yeah, yeah

I know you might be scared
But do not be afraid
Flashing lights everywhere
You're safe, you're saaaafe
I know you might be scared
But do not be afraid
Flashing lights everywhere
You're safe, you're safe
Don't stop
Don't stop, don't stop, don't stop
Don't stop, don't stop, don't stop
Don't stop, don't stop, don't stop
Don't be afraid

Don't stop, don't stop
You can get outta of this
Don't be afraid, no, no
Don't stop, don't stop
You can get over this
I'll be your friend, yeah, yeah

Don't stop, don't stop, don't stop
Don't stop, don't stop, don't you ever stop
Don't stop, don't stop, don't stop

Don't be afraid, no no
Don't stop, don't stop
