Find A Way

SafetySuit

Hold on, what's the rush, what's the rush we're not done are we Cause I don't need to change this atmosphere we've made if You can stay one more hour, can you stay one more hour You know I'm gonna find a way to let you have your way with me You know I'm gonna find a time to catch your hand and make you stay Hold on, I'll be here when it's all done you know Cause what's the point in chasing if I can't enjoy your face an d We can't be wrong tonight, can we be wrong tonight You know I'm gonna find a way to let you have your way with me You know I'm gonna find a time to catch your hand and make you stay I don't care what clothes you wear, it's time to love and I don 't care You know I'm gonna find a way to let you have your way with me And if I was running, you'd be the one who I would be running t 0 And if I was crying, you would be lining the cloud that would p ull me through And if I was scared, then I would be glad to tell you and walk away But I am not lying, I am just trying to find my way in to you You know I'm gonna find a way to let you have your way with me You know I'm gonna find a time to catch your hand and make you stay I don't care what clothes you wear, it's time to love and I don 't care You know I'm gonna find a way to let you have your way with me If I was running If I was crying If I was scared You know I'm gonna find a way to let you have your way with me
