

## Life In The Pain

SafetySuit

Now you're out there with no target  
So your friends become your aim  
But there is no one left around you  
So there is no one left to blame

And what you don't know, it won't hurt you  
And what you don't know will save you from some pain  
But if i could choose i'd let it hurt you  
Cause there's something bout life in the pain

Yeah there's something inside you starting  
Like there's a fight coming your way  
But there'll be no fists you'll be throwing  
Just some words you got to say

And you'll scream for our repentance  
Or you'll hide behind what's fake  
But there ain't nothing to forgiveness  
And you give as freely as you take

And what you don't know, it won't hurt you

And what you don't know will save you from some pain  
But if i could choose i'd let it hurt you  
Cause there's something bout life in the pain

And i don't need to know you stories  
Don't need to understand your pain  
Cause i've been here since the beginning  
And i'll be here the rest of the way  
And i'll be here the rest of the way

Now you've tried your hand at running  
But don't you try your hand at fate  
Cause there's a moment to be taken  
But it's right before you break

And what you don't know, it won't hurt you  
And what you don't know will save you from some pain  
But if i could choose i'd let it hurt you  
Cause there's something bout life in the pain  
Cause there's something bout life in the pain  
Is there something bout life in the pain
