

# Anywhere You Wanna Go

Saga

I wanna thank you, down on your knees  
That's quite a tattoo  
I'm gonna take you...  
I'm gonna tag you, bon appetite  
I wanna thank you  
I'm gonna take you...  
I'm gonna do you, that's what you need  
If you would like to  
I'm gonna take you...  
I'm gonna take you...  
I'm gonna take you...  
I'm gonna take you...  
Anywhere you wanna go  
You want it, you got it  
You've got to let me know  
Anywhere you wanna go  
You want it, you got it  
Just tell me where you wanna go  
I see a flat top walking away  
Was that your best shot?  
I wanna thank you  
Please excuse me thought you could stay  
Is that a deep cut?  
I'm gonna take you...  
Anywhere you wanna go  
You want it, you got it  
You've got to let me know  
Anywhere you wanna go  
You want it, you got it  
We'll get there heaven knows  
Anywhere you wanna go  
You want it, you got it  
You may just find you've found a home  
You may just find you've found a home  
I want to thank you, down on your knees  
It's quite a tattoo  
I'm gonna take you...  
I'm gonna do you, that's what you need  
If you would like to  
I'm gonna take you...  
I'm gonna take you...  
I'm gonna take you...  
I'm gonna take you...  
Anywhere you wanna go  
You want it, you got it  
You've got to let me know  
Anywhere you wanna go  
You want it, you got it  
Just tell me where you wanna go  
I'm gonna take you...  
I'm gonna take you...  
I'm gonna take you...  
gonna take you...  
Anywhere you wanna go  
You want it, you got it  
You've got to let me know  
Anywhere you wanna go

You want it, you got it  
Just tell me where you wanna go  
Anywhere you wanna go  
You want it, you got it  
You've got to let me know  
Anywhere you wanna go  
You want it, you got it  
And that is how the story goes  
Anywhere you wanna go  
You want it, you got it  
We'll get there heaven knows  
Anywhere you wanna go  
You want it, you got it  
You may just find you've found a home
