

1st VERSE

Somebody try the side door * You know its gettin'kinda
late * I'll just assume there's a reason there's *
Nothin'on my plate * It sounds a lot like show time *
But why am i up at six * No one told me we'd be *
Playin'at Fort Dix

CHORUS

Round & round it never stops * Each day a new surprise
* You'll find it all inside * You brand new book of
lies * Round & round where we stop * You guess as good
as mine * It's one big comp * Your brand new book of
lies

2nd VERSE

Will that be yen or lira? * Is that in local time? * &
if someone cancelled * What's everybody doing in line *
S'Pretty hard to get a signal * A way out here in the
sticks * Got a feelin' that the local's * Bin up to his
old tricks

CHORUS

Round & round it never stops * Each day a new surprise
* You'll find it all inside * You brand new book of
lies * Round & round where we stop * You guess as good
as mine * It's one big comp * Your brand new book of
lies

3rd VERSE

I think i know it's Monday * But this is not Milan * I
went to sleep in Brussels * & Woke up in Japan *
Somebody try the side door * You know its gettin'kinda
late * I'll just assume there's a reason there's *
Nothin'on my plate

CHORUS

Round & round it never stops * Each day a new surprise
* You'll find it all inside * You brand new book of
lies * Round & round where we stop * You guess as good
as mine * It's one big comp * Your brand new book of
lies
