

## Don't Bother

Saga

Each day I find it a little bit harder  
To get up out of bed  
I can't seem to start to my head  
What was I to do? I can't remember  
Did I talk to you?  
Have you forgotten too?

Things keep piling up they don't get better  
Looks like I am stuck again; bad weather

Life for me can be a great big bother  
Does it feel like that to you?  
What are we to do?  
Each day's events, one after another  
I always get there late  
What a sorry state

Things keep piling up they don't get better  
Looks like I am stuck again; bad weather
