

Gonna Give It To Ya

Saga

Images all too strong to mention
And faces as far as I can see
The focus of all with no intention
The passion is all we try to feel.
There's fire in the hole
Tell me what you want from me
And I'm gonna give it to you
There's fire in the hole
Tell me about your fantasy
And I'm gonna give it to you.
So little time, so far to travel
But so many smiles along the way
So many hearts filled with devotion
And so many games still to be played.
There's fire in the hole
Tell me what you want from me
And I'm gonna give it to you
Fire in the hole
What you see is what you get
And I'm gonna give it to you
Fire in the hole
And what you want is all you need
And I'm gonna give it
I'm gonna give it to you.
