

On the Loose

Saga

(lyrics by Michael Sadler)

One day you feel quite stable
The next you're comin' off the wall
But I think you should warn me
If you start heading for a fall
I see the problem start
I watch the tension grow
I see you keeping it to yourself
And then instead of reaching conclusions
I see you reaching for something else
No one can stop you now
Tonight you're on the loose
No one to tell you how
Tonight you're on the loose
I see no harm or danger in escaping
If the method suits the style
We put the mind on idle
And let the others take it for awhile
When the pace is too fast
And I think I won't last
You know where I'll be found
I'll be standing here beside myself
Getting ready for the final round
No one can stop you now
Tonight you're on the loose
No one to tell you how
Tonight you're on the loose
The time we feel most stable
Is the time we're comin' off the wall
And there's every indication
We may be heading for a fall
So let the problems start
And let the tension grow
We'll be keeping it to ourselves
And while they're busy reaching their conclusions
We'll be reaching for something else
No one can stop you now
Tonight you're on the loose
No one to tell you how
Tonight you're on the loose
