

Remember When (Chapter 9)

Saga

"How are you - have I made you wait?"
I'm the one who said "Don't be Late!"
You know there's still time for you to make the changes
Now it's time to turn another page
This year my gift is Y2K
And now it looks like it's you that's running late
Do you remember when, I said "Don't be Late!"
How would you know then just how long I'd wait?
"So, how are you - have you guessed my name?"
It's time to put your toys away
Remember I know you love to play this game
Do you remember when, I said "Don't be Late?"
How would you know then just how long I'd wait
"How are you - do you have the time"
I'll tell you what I've got in mind
You know it's never too late to change your mind
Do you remember when I said "Don't be Late?"
How would you know then just how long I'd wait?
Do you remember when I said "Don't be Late?"
How would you know then how long it would take?
