

Rise And Shine

Saga

Colour blind
Looks like it's dinner for two
Anxious bride
But still no sign of the groom
Pantomime
No one plays by the rules
Now it's, closing time
Back to your room with a view
You've got another chance to
Rise and shine
Or yesterday will slip into tomorrow
You've gotta Rise and shine
And in time you'll find someone to follow
Dim the lights
Someone's tryin' to play us a tune
Just wait in line
I'm sure they'll be with you soon
Friday's child
Dances by the light of the moon
Now it's, closing time
Back to your room with a view
You've got another chance to
[repeat chorus]
