The Runaway

Saga

Crash and burn
I know that it's not over yet
Live and learn
By living on the internet
Don't look now
I think we're on a runaway
Everybody's riding on a runaway
Smack the mouse
Someone's trying to take it all
Burn the house
I better get a fire wall
Don't look now
I think we're on a runaway
Everybody's riding on a runaway
Chorus:
If you think it's crazy
You know you're not alone
Can't you see
It doesn't matter where you are
Get it free
I do it with a CDR
Don't look now
I think we're on a runaway
Everybody's riding on a runaway
If you think it's crazy?
You know you're not alone
And don't you think it's crazy?
You know you're not alone
And you won't be riding along
XML
SRC and DVD
What the hell
It's digital insanity!
Don't look now
I think we're on a runaway
Everybody's riding on a runaway
If you think it's crazy?
You know you're not alone
And don't you think it's crazy?
You know you're not alone
And you won't be riding alone
