

# Time Bomb

Saga

Where were you today?  
I'm not sure if I should tell you  
What have you got to say?  
I'm sorry  
You said you wanna stay  
I know, I know, I know, I've tried  
So why did you run away?  
You, can't you see I'm tick'n like a time bomb?  
Well, I'm tick'n like a time bomb  
Won't somebody come and light my fuse?  
What will it be tonight?  
I won't know until I get there  
What do you hope to find?  
Some answers  
But tears may fill your eyes  
I know, I know but I'll be fine  
So why do you need to fly?  
I just know I've got to try  
You've always had more than you need  
So why are you a stranger to me?  
Can't ya see I'm tick'n like a time bomb?  
Well, I'm tick'n like a time bomb  
Gettin' ready to explode  
Don't you know I'm tick'n like a time bomb? Oh yeah  
I'm just tick'n like a time bomb  
Won't somebody come and light my fuse?  
Where were you today?  
I'm not sure if I should tell you  
What have you got to say?  
I'm not sorry  
You said you wanna play  
I know, I know, I know, I lied  
So why'd you run away?  
Show me, show me I'll show you mine  
I'm not blind, all revealed in good time  
Tell me who made silence a crime?  
Don't be shy, it's not all in my mind  
Can't ya see I'm tick'n like a time bomb? Oh yeah  
Oh, I'm tick'n like a time bomb  
Somebody light my fuse  
Tick'n like a time bomb  
I've got nothin' to lose  
Ooh, I'm tick'n like a time bomb  
Won't somebody come and light my fuse?  
Tick'n like a time bomb, oh yeah  
Don't ya know I'm tick'n like a time bomb? Oh yeah  
I'm tick'n like a time bomb
