Ready for a big surprise See the man sitting in the corner feeling humble Can't you see the tears in uncle Albert's eyes Says the words again and again Says he's coming but he doesn't know when So get ready for a big surprise Says the word and everybody starts to crumble Don't you know he's got the gift of second sight We all have heard the calling You know, I know, you now It's all in uncle Albert's eyes It's all in uncle Albert's eyes Uncle Albert's eyes All alone thinking about the resurrection Don't you think it's time that everybody knew? Read the news but we all forgot Now the Garden of Eden is a parking lot I think it's time for a new direction We all have heard the calling You know I know, you now It's all in uncle Albert's eyes It's all in uncle Albert's eyes Uncle Albert's eyes See the man sitting in the corner feeling humble He may fool you now but he could never lie It's all in uncle Albert's eyes Uncle Albert's eyes
