

We've Been Here Before

Saga

Have we been here before?

Oh...

Have we been here before?

Oh...

Someone took me by the hand

And lead me through an open door

And told me, you're just what I'm looking for

Oh...

I try so hard to understand

Why the picture seemed so real

'Cause I know better than to think I was dreaming

[Chorus One]

You know I see it in your eyes

But if it's just imagination

Why do I get this feeling

We've been here before

I turned 'round, shook my head in doubt

Was it just a fantasy

Or are you more than just a memory

Oh...

Something's familiar every time

But somehow never quite the same

It feels like I'm playin' someone else's game

[Repeat Chorus One]

[Chorus Two]

I must have tried a thousand times

And yet you still refuse to listen

Still I get this feeling

We've been here before

Oh...

[Repeat Choruses One and Two]

[Repeat Choruses One and Two]
